

Attention CIS Students!

Don't miss these upcoming opportunities to visit these tech companies. The field trip is of no cost to you but you will need to **reserve your seat** by sending an email to Meghan.Abella-Bowen@Bristolcc.edu with the subject "Field Trip". In the email, please specify which field trip would like to attend or identify your interest in attending both. **Be on the lookout for additional details – Meeting time @ BCC and location.** We look forward to seeing you soon!

iRobot®

Friday, February 5

Meeting Time @ BCC TBD (On location tour begins @ 10:30AM)

The visit will take place in the iRobot [Cool Stuff Museum](#). It will focus on what the robots do, why they have those jobs, and who works on robots. They will also have a robot demo for the students. The entire tour will take approximately an hour to 90 minutes

A Little About iRobot: Every robot we build is created with a person in mind. From homes to hospitals, battlefields to businesses, we are here to help people achieve what has never been done before.
